**NOTICE OF FILING DRAFT ORDER**

During the telephonic conference on March 22, 2012, the Court directed the parties to draft and submit an order reflecting the Court's intent to award injunctive relief in favor of the plaintiffs, as well as the Court's intent to enter a temporary stay of its March 5, 2012 Order (ECF No. 53) granting the plaintiffs' motion for summary judgment and denying the defendants' motion for summary judgment. The Court stated that the defendants' participation in drafting an order reflecting the Court's intent would not constitute a waiver of any objections other than to the form of the order. The parties have conferred, and jointly submit the attached draft order as reflecting the stated intent of the Court with respect to issuance of injunctive relief and a temporary stay. The defendants expressly preserve all objections other than to the form of the order. The draft order also

reflects the parties' agreement with respect to a proposed briefing schedule to address the three questions posed by the Court during the March 22, 2012 telephonic conference.

Respectfully submitted,
